

Jacobs & Cushman San Diego Food Bank- Copy & Print Services RFP

Addendum I

- How many units do you need fax capability on?
All must have capability.
- The pull-out Key board, do you all use it? Currently on the MX4111N machine only.
No.
- Would you like the same type of “Inner Finishers” (offset stacking stapling) that you have current on your units?
Yes.
- Do you know how many units(copiers) you need the “Saddle Stitching” on?
Per section “A” line item #21 in the RFP.
Only one, please include pricing with this unit, and also pricing without the saddle stitching.
- Section “B” line “4”, letter “C”, can you specify the “Network support” you need?
“Network support” would be better described as “equipment diagnostic support.”
